
Gramacho Pestana Golf Resort

ABOUT

Nick Price, the former world Nr.1 player, has teamed up with the well-known golf course architect, Ronald Fream, to create a uniquely designed 18 hole course with 27 varied greens that enable the golfer to play the same course several times with different greens and new challenges.

In 2005 and 2007 The Gramacho Course hosted the Portuguese Ladies Open. The design technique has positioned the greens and protective bunkers so that an 18 hole round is a genuine challenge. The characteristics already existing on the site, from the boulder outcrops and dry stone walling to the fig, carob and olive trees, have been complemented by art fully positioned lakes and bunkers.

These hazards complete the challenging but attractive course.
