## Pine Cliffs Golf & Country Club

---

### ABOUT

Perched 200 feet above the golden sands and blue water of the Atlantic Ocean lies the immaculate Pine Cliffs Golf Course. The location of the resort is unique. It extends across 168 acres of naturally beautiful land set above a stunning cliff top, beneath lies an expanse of golden sand beach and the deep blue water of the Atlantic Ocean. The dark red of the sandstone cliffs contrasts sharply with the immaculate green of the golf course above and the sparkling blue ocean below.

This is one of the country's most original golf courses, built in a pinewood setting, with tree lined fairways running parallel along the Atlantic Ocean, giving it's guests breathtaking views along the Algarvian coastline. Architect Martin Hawtree's main concern was to keep the natural surroundings as it was before the course was built.

The jewel of this perfectly kept course is the Par 3, Devil's Parlou sixth hole. The championship tee is built over a ravine that requires a 198 metre carrying shot over the cliffs to a deep but narrow green.
