
Vale da Pinta Golf Course

ABOUT

The Pinta Course is one of the best-designed courses in Europe. It is a Championship course with an exceptional layout designed by the famous American golf course architect, Ronald Fream.

Since 1992 it has earned a deserved reputation for the outstanding level of maintenance of the course, and its design, which makes it a challenge to golfers of all standards. The Pinta Course was 8 consecutive times host to the Seniors Tour.

Two ornamental lakes influence play at four different holes around the course. The rolling terrain is dotted with carob, fig, almond and olive trees. A very special feature of this course is one olive tree that dates back more than 1200 years.
