
Golfe do Vimeiro

ABOUT

Taking full advantage of the river that it crosses, this pleasant course, close to the sea and set in the heart of a spa region, presents a stiff challenge to the accuracy of golfers.

Designed by Frank Pennink along the banks of the River Alcabrichel, the narrow fairways of this course with 9 holes and 18 tees is by no means an easy one.

At the excellent Hotel Golf Mar situated only a few metres from the first hole, there is a variety of restaurants, bars and a health club affording golfers the well-deserved pleasure of enjoying a few relaxing hours after a game. A series of swimming-pools (one of which is heated), the opportunity of enjoying an invigorating walk along the beaches of Santa Rita and Porto Novo, or a horse ride along the lush green slopes of the river valley, offer visitors to the region different healthy alternatives for refreshing both body and mind.
