
Parque Ecológico de Monsanto

ABOUT

It is the largest green space in the heart of Lisboa, almost 1000 hectares of woodland. Integrated in the park the Lisboa Camping offers visitors two multi-sports areas, a mini-golf course, two tennis courts, a swimming-pool area with solarium and terrace, a common room and an amphitheatre.

In the park we can find the Espaço Monsanto Interpretation Centre, where it is possible to learn about the park in the permanent exhibition. There is also a medium-sized auditorium, a small amphitheatre, car park and a small picnic area.

Monsanto also includes the Alto da Serafina Urban Park, the Calhau Urban Park, a perfect place for a stroll, the São Domingos de Benfica Woodland, the Alvito Play-Ground, the Moinhos de Santana Urban Park and the Quinta da Fonte.
