
Marina da Quinta do Lorde

ABOUT

Quinta do Lorde Marina, is located at Ponta de São Lourenço Península, the most south-eastern tip of Madeira Island. It is the first stop for sailors arriving to Madeira Island from the East and Portugal mainland. This sheltered marina, built below the extinct Piedade Volcano, is a good place for a brief stopover while discovering the Madeira beauties or even for the winter time lay-up in the Atlantic.

Quinta do Lorde Marina is part of the dazzling Quinta do Lorde Resort and offers modern facilities and an experienced team.

The new boatyard "Repmaritima" is located about 10 miles W from Quinta do Lorde Marina, just beneath the Madeira International Airport runway. This unique covered boatyard allows the winter layup without taking out the mast. The boatyard is also fully equipped to provide painting services and a liferaft inspection & maintenance centre.
