
Museu do Vinho dos Biscoitos

ABOUT

Biscoitos Wine Museum

Biscoitos Wine Museum is in a winery that produces verdelho wine, characteristic of the Azores.

The museum itinerary presents the different stages of wine production, from the vines surrounded by square beds ("curraletas"), to the wine press and storage in wooden barrels. One of the museum units displays ancient utensils and tools used in winemaking.

Visitors to the museum should make sure to enjoy the views offered by the Belvedere.
