## ABOUT

Type of accommodation Youth Hostels

Renovated in 2001, the Alcoutim Youth Hostel now has a swimming pool, which calls out for you to have a splash around in it, especially in the summer. Right next door, the Guadiana River draws the line between the hostel and Spain. About 40 km from Vila Real de Stº António, with a dazzling landscape, Alcoutim is the ideal place for you to spend a few days with some friends, catch some sun, appreciate the beauty of the inland area of the Algarve and do water sports such as canoeing on the Guadiana.
