## ABOUT

Photo: ABAE

Magnificent in its boundless sandy expanse and for the calm and excellent temperatures of its waters, Barril Beach forms part of the Ria Formosa Natural Park.

In order to reach this paradise, you have to cross the little bridge over the Estuary and then take the train departing from nearby the Pedras d'El Rei Tourist Village, or alternatively take the ferryboat that provides a regular service from Ilha de Tavira throughout the summer.

Nearby Barril Beach, and around 1.5 km from the train station, there is an area reserved for Naturism.
