
Praia Grande do Guincho

ABOUT

Photo: JTCE

Part of the Sintra-Cascais Natural Park, Guincho Beach is endowed with a surrounding landscape of great beauty in which the white sand dunes contrast with the deep tones of the Serra de Sintra hills, looming in the background.

Given both its strong winds and waves, the Beach attracts a great following among bodyboarders and surfers. Throughout summer, there is generally a good northerly wind ensuring Guincho is excellent for windsurfing.

Nearby, there are some excellent restaurants specialising in fish and shellfish dishes.
