
Praia do Furadouro

ABOUT

Photo: Associação da bandeira azul europeia

With a reputation both for its fishing and surfing, defining very different eras and approaches to life on the beach, the extensive Furadouro Beach comes with the strong waves of the Atlantic.

Inland, there is dense pine forest with the approximate 3 kilometres from Ovar to the beach linked by a cycle way. Beyond the forest comes the Estuary with its tranquil waters much in demand by windsurfers.
