ABOUT

Photo: ABAE

Part of the Costa Vicentina e Sudoeste Alentejano Natural Park, Zambujeira do Mar Beach is surrounded by tall cliffs that offer wonderful panoramic views out over the ocean. The frequently strong waves breaking on this beach provide quality conditions for surfing and bodyboarding. The beach can be directly accessed from nearby Zambujeira do Mar.

An ever-popular summer destination, the region attracts large crowds of concert goers on the 1st weekend of August for the annual Sudoeste Rock Festival, one of the largest of its type in Portugal
