
Praia da Barra

ABOUT

Photo: ABAE

Located by the pontoon that marks the beginning of the Port of Aveiro and the end of the estuary, Barra Beach is both spacious and has good conditions for a range of sports including surfing, bodyboarding, kite-surfing, sailing and sea fishing. Very popular among sunbathers, the area takes on a new life during the summer months with the entertainment continuing well into the night at the many bars and discos and during local festivals.

Right by the beach is the imposing Aveiro Lighthouse, built over a century ago and, at 62 metres in height is the tallest in Portugal.
