
Praia de Santo André / Praia dos Cabos

ABOUT

Santo André Beach covers a large area of sand but is broken up by long lines of rocks forming lines, hence its alternative name Cabos (Cables) Beach.

Calm and with its safe waters, the Beach is located next to a Chapel dedicated to Saint André, a favourite among local communities in the belief that this Saint would rescue the souls of sailors lost to the depths of the sea in order to deliver them to God.
