ABOUT

Photo: Turismo do Alentejo - CM Grândola

Located on the southern tip of the Tróia Peninsula, the huge sandy extent of Comporta Beach is a regular summer favourite, given good means of access and plenty of parking space.

Forming part of the Sado Estuary Nature Reserve, Comporta Beach has been well preserved with the original dune vegetation surviving along with the adjoining pine forest.

The sea is lively providing fine conditions for kite surfing, with competitions regularly held here.
