### ABOUT

Photo: RTAM

Set in an area of great natural beauty by the mouth of the Minho river and surrounded by the pines making up the Mata Nacional do Camarido protected area, Caminha or Camarido Beach is located at the most north-westerly point of the Portuguese mainland.

This site enables sunbathers to choose between fine sands and the rough, open seas and the thicker sands and calm waters of the river, ideal for both children and sailing and windsurfing.
