

Adegamãe

ABOUT

Photo: Adegamãe

Adegamãe was born from an old passion that has always lain the heart of Riberalves Group: Wine. It has an area of around 99 acres for vineyards at Quinta da Archeira estate in Ventosa and a production capacity of 1.2 million litres a year. It is therefore able to produce a full variety of wines.

Adegamãe is top of the range in wineries, a temple built to wine and the love of wine. It is meticulous and demanding when the time comes to produce and market the wine and open and approachable when the time comes to share it.

It is the soul of Adegamãe, the primary reason for its existence. The love of wine paves the way for a variety of activities, such as:

- Guided tours of the winery, with or without tasting
- Guided tours of the winery with “Flavours and Wines” traditional nibbles accompanied by our wines
- Adegamãe Lunch
- Trip around the vineyards
- Event management
