Megaverde is a company specialized in nautical activities, operating from Belém dock, right across from the Jerónimos Monastery. We provide high quality services. Safety and client satisfaction are our priorities. A vast array of services is provided: trips in motorboats or sailboats, we also organize trips for wildlife and bird watching in the wildlife protected area of the Tagus River, with one of the highest concentrations in Europe of flamingos, geese, ducks, water fowl and birds of prey.
