You have now embarked into a different world. Be prepared!

Zebra Safaris will take you on the trip of your life. You'll travel through some of the prettiest sites and landscapes of Portugal's capital of sun . . . the Algarve. You will engage and discover a great variety of activities, but all spectacular and packed with adrenaline. There is also a totally different pace of alternative activities, rather more cultural, such as Wine tasting and/or Osier wood handicraft workshops or any of an infinite of possibilities.

Zebra Safaris . . . A new concept in integrated entertainment.
