
100DestinosAventura

ABOUT

The 100DestinosAventura works in the organization and support of sporting events, operating throughout the country, but with the main focus in the north of Portugal, with monitors and equipment credentialed to practice the activity.

With an organizational structure geared to the needs of the customer, 100DestinosAventura provides custom solutions with the highest quality criteria. For this our motto is quality, professionalism and social responsibility, since the human body feels good with the movement, which gives pleasure and stimulates creativity.
