suites), all with full-equipped private bathroom, digital telephone, cable TV, heating, bathrobes and slippers, for optimal comfort. Social areas include a "grand" lounge, breakfast room, regional restaurant, swimming pool, solarium, sauna, parking, and lush green flowery gardens. Extensive grounds include leisure areas and an agro-biological farm, where we find ingredients for our gastronomy. At about 30m from the manor we have a smaller house with just two one-bedroom apartments, with kitchenette and balcony with sea view. These have access to all the facilities offered at the manor.
