
Casa de Assumar

ABOUT

Type of accommodation Tourism in the Country

Casa de Assumar is inserted in the small village of Assumar at Alto Alentejo, and was specially designed so that visitors can take advantage of all the beauty of Alentejo's plains, its large horizons and silence, in an invitation to spend moments of stillness.

It is an ample space with a pleasant, cheering environment, and many corners where you can listen to music, read a book or just enjoy the silence while you contemplate the landscape.

Casa de Assumar has 6 double rooms, a dining room and a living room, as well as leisure spaces, like a swimming pool, garden, terraces and a watchtower. You spend your days in a pleasant way, between walks and rest, and because of that you can have your breakfast everyday until 12h00.
