Roadtrip

ABOUT

Roadtrip will take you on a journey. On the top of a 4 wheels classic portuguese jeep (the UMM), we will put the charismatic Lisboa and the mystic Sintra in your heart.

We want to show you our culture in a journey with typical gastronomy, music and seesightings accompanied with our driver-guide, that including stops in Torre de Belém, Pastéis de Belém, Mosteiro dos Jerónimos, Castelo de S. Jorge and Sé in Lisboa; Palácio da Pena, Quinta da Regaleira, Castelo dos Mouros in Sintra, Cabo da Roca and Cascais.

Choose your favourite tour or plan the tour you would like to do on the top of the UMM. Book it using our contacts, or get your informations in Sintra and Lisboa Tourism Stations.

Our regular departures meeting places are in Sintra Train Station. But if you want we can pick you up in your hotel or hostel.
