Type of accommodation Tourism in the Country

Category: Country Houses

Quintinha da Eira is a gite with a "Rural Chic" concept, ideal to spend a few days resting in fullness with Nature. Quintinha da Eira is composed of five bedrooms, two of which can communicate between them, which makes them perfect for a family accommodation. It also has a roomy suite prepared to be used by those whose mobility has some restrictions. As far as facilities are concerned, there is a spa, a wi-fi internet space, a pleasant reading room, a dining room and a living room with a fireplace and gaming table. The kitchen is fully-equipped. There is also a bread "house" with a wood-fired oven and a traditional cheese "house", where our guests are invited to make their own bread, if it is of their desire.

It also has a glazed spaced, turned to nature, "Mini-cozinha", where groups who desire to have their meals together may have access to. The oven house also has a barbecue. The outdoor is the big surprise. Many facilities which are an invitation to leisure include a swimming-pool, a waterfall and a bar, a playground, a threshing floor and a pergola, from where you can enjoy the view of the 12 mills. Unique, pleasant spaces where you can relax or just contemplate the beauty of nature.

To complement your stay, the Quintinha Da Eira also provides the following services:

- kennel and cattery
- Laundry
- Tourist Advice
- Bicycle maintenance station
- Rent-a-car Service
- Little Shop of traditional products
- Translation service (English, French and Spanish)
