
Feira de Gastronomia de Vila do Conde - Gastronomic Fair

ABOUT

The Gastronomic Fair of Vila do Conde is an excellent opportunity to enjoy the best of the traditional Portuguese cuisine. Conceived a few years ago, this event has been cementing its position in the national panorama, presenting itself, currently, as one of the most beautiful gastronomic fairs in the country.

Here you can find eight restaurants representing the various regions of Portugal and more than 60 stands of gastronomic products. On the event, we highlight the “Culinary Bookstore” and a reading area, the musical entertainment, as well as bars and terraces and the cooking workshops.
