
Adega de Borba

ABOUT

Photo: Adega de Borba

Visit the winery, taste our wines, taste the olive oil and discover unique regional products.

Guided tours to the winery allow you to closely see and understand our wine making process. Furthermore, we invite you to taste our wines and olive oils accompanied with Alentejano bread.

A perfect ending to the visit is our wine shop where you will be able to find all the product range from Adega de Borba, including wines, liqueur wines and grape marc spirits, jams, biscuits, chocolate truffles and bonbons, as well as accessories to serve wine.
