Porto's Christmas and New Year

ABOUT

Porto consolidates itself, year after year, as one of the top tourist destinations in Portugal to enjoy the Christmas holidays and the New Year.

Throughout December, the city receives more than 100 initiatives to live Christmas in full. Ice rinks, music concerts, lights presentations and other events, besides the typical fairs and markets, share magic on the Invicta.

The fun reaches its climax on New Year's Eve. Thousands of people go to Baixa do Porto (Porto downtown) to watch the fireworks.
