## ABOUT

A QUINTA is a dryland crop 17th century renovated property, comprising an ancient oil mill, home of the pots, wine cellar, grocery shop, wood fired oven and two threshing floors. Beautifully situated in a rural area between the mountain and the sea.

There are two distinct areas: THE QUINTA EVENTOS for weddings, corporate lunches and dinners and THE RURAL THEME PARK. Come and spend a day in contact with nature together with a healthy mediterranean diet.

QUINTA also offers a programme full of fun and educational experiencies for all the family. You can discover the flora and fauna in our treasure hunt and donkey cart rides. Make bread, roast almonds and carob and learn about and taste the olive oil. You can also feed the animals and play in the tree house and on the slide.
