
9th International Printmaking Biennial of Douro 2018

ABOUT

The International Printmaking Biennial of Douro - the only biennial of graphic work in Portugal, brings back to the beautiful landscape of the Douro artists from around the world between August 10 and October 31!

Started in 2001, this event has marked its place in the art world and is currently considered one of the most important Biennials in the world.

From the past eight editions stand out the exhibitions honoring world-renowned artists such as Antoni Tàpies, Paula Rego, Vieira da Silva, Octave Landuyt and Júlio Pomar, among many others.

Start Date: 2018-08-10

End Date: 2018-10-31
