
Anish Kapoor

ABOUT

Anish Kapoor, a native of Bombay and based in London, is one of the most prominent living sculptors, having achieved international recognition as a member of the generation of new British sculptors of the 1980s.

From that time the artist began to develop a work that stands out for its immense variety and ambition, and which reached the monumental scale of the landscape and the city.

For the exhibition at the Museum and Park of Serralves, in Porto, shown from June 21, 2018 to January 06, 2019, Anish Kapoor presents a selection of his most recent and recognized works and projects.

Start Date: 2018-06-21

End Date: 2019-02-17
