## Holy Mary August Feast and Paper Garden

---

### ABOUT

The Feira de Santa Maria de Agosto (Holy Mary August Feast) and Jardim de Papel (Paper Garden) will take place in Campo Maior from the 15th to the 19th August.

This event has been prepared by the City Hall and the organizing committee of the Campo Maior Folk Feast, and consists of decorating the City Garden with typical paper flowers. This celebration, which happens at the same time as the Feira de Santa Maria de Agosto, intends to keep alive the spirit of the Folk Feast, also in the years when these do not take place.

Whereas 100 streets are ornamented during the Folk Feast, in this event only the City Garden will wake up full of colour, totally decorated with these wonderful paper flowers. Over these days there will also be a handicraft fair and plenty of musical attractions.

Start Date: 2019-08-15
