ABOUT

Type of accommodation Tourism in the Country

Category: Country Houses

This well kept secret is situated in the “Parque Natural do Sudoeste Alentejano”, land of gentile rolling prairies bathed by the blue sea and unruly beaches. It is this protected Natural habitat that now welcomes “Casas da Lupa”.

The purity of the local architecture on the outside combined with the modern construction and comforts on the inside create a welcome surprise to all those that visit us. “Casas da Lupa” is made up of three separate building that house 4 Master Suites, 4 Suites and 3 Double Rooms and are surrounded by a large garden and pool.

In the first building we have four Master Suites, three of which have a private courtyard and small plunge pool. No two suites are alike but all four share a countryside view of the sea and wild flowers. In the second building we have the 4 Suites, all of which have their own verandas and fireplaces these large suites overlook the main garden and pool. Our third and final building is our Main house where we have our breakfast / living room, a TV area, a guest WC, our reception Office and our three double rooms all of which have a small veranda and all overlook the garden.
