Tons of ice brought directly from the Canadian glaciers has gone into the making of this experience. Everything within the bar is made of ice, from the walls that surround you, the seats you sit on, the amazing sculptures and even the glass that you sip our famous vodka based cocktails from. Included in the entry fee are 30 minutes inside the Bar de Gelo Viseu, the rental of thermal clothing and one of our famous cocktails served in a glass made of ice.

The intermediate floor of the Tivoli Theatre building is home to the JNcQUOI Delibar. A counter-bar with 42 seats is surrounded by a wine and gourmet grocery shop with the finest selection of the best national and international flavours: cheese, charcuterie and delicatessen. In the same floor, you will find an acclimatized

room with a selection of rare wines and a wine-tasting table.

The perfect hangout place for both day and night, the unceremonious counter of the Delibar is the perfect setting for light — and not so light — meals as well as relaxing moments with a comprehensive and ever surprising drink and cocktail list.

In this floor you will also find two international brand corners: one by publisher Assouline featuring the best books on art, design, photography, fashion and travel; a broad selection of true cultural and leisure gems; the other by the renowned Parisian patisserie Ladurée.
