The Casino of Figueira is the animation centre of Figueira da Foz with a daily show exhibition in the Noble Salon, offering an excellent gastronomy and a quality service in the Piano Bar. It is the ideal place for spending a wonderful evening. After the show you can try your luck at the Slot Machine and the Gaming Rooms. The Cinemas and the disco Kastigo complement the animation and joy of this place.

A unique example of architecture, this is one of the most beautiful traditional gaming rooms in the world today. Here you can live highly emotional moments through games of French Roulette, Black Jack, American Roulette and French Banker. The excellent bar and restaurant service also provide you with moments of privacy.

The modernity of the Figueira Casino is very much present in the Slot Machine Room thanks to the variety, quality and innovative technology of the Slot Machines. The young spirit in which the game of light blends in and becomes confused with the scintillation of the chip provides an atmosphere of pure emotion through the 300 high technology machines that offer 'Horse Racing' and 'Video Roulette'.
