You do not need the traffic lights to turn green for you to begin the most unique holiday of your life. Right in Algarve, between the mountains and the barrocal, the Pestana Algarve Race, is a unique hotel in the region. Overlooking the international race track, a perfect spa for recovering from stress and the good weather which is iconic for the area, this hotel gives you access to a different world, at the speed that you desire. Between the mountains and the Barrocal, the heat that you can feel in the air is dissipated by polished marble, by the concrete in sight and by the tranquil grey and blue tones that decorate the hotel entrance. Ratings remain in the background in this bright and inviting space, ideal for a pit stop for a few days, or even to attend the numerous events that animate the most popular circuit in the country. The roar of engines makes itself heard in the distance on test or race days, but the quiet immensity of the mountain is always ready to drown out the stress and help you slow down. The spa is specially equipped to help you recover from your emotions and fatigue. And if the pebble and bamboo lakes and the original pools are not enough, there are always donkey rides so that you can reduce intensity and get

rest. Turn off the telemetry and set the speed. With or without adrenaline, your days in this unique hotel in the Algarve will set the pace of the holiday. For motor sports enthusiasts, for teams who live in the paddock, and for companies that want to take the team spirit even further, the Pestana Algarve Race offers a sophisticated technological environment, equipped to escape the high temperatures of the track of your life.

Silence is more than the absence of noise. Silence is a state of mind in which time and discernment are on our side. In this space of balance we can break the silence to listen. To ourselves and to those that are most important to us. And so begin anew, aspiring to new possibilities, since listening is also understanding. At the Colmeal Countryside Hotel, we do not make strict vows of silence but of serenity. Welcome to the land of silence. Find what you need to switch off from the world. And connect to yourself.

On a farm spread over more than 650 hectares lies the historical and uninhabited village of Colmeal. The diversity of its cultural heritage is revealed in the ancient schist and granite dwellings of the Lusitanian shepherds, in a 15th century church and in the rock paintings of the Neolithic period. A perfect scenario full of symbolism and history.

Hiding in Serra da Marofa, municipality of Figueira de Castelo Rodrigo, the Colmeal Countryside Hotel is more than a rural hotel. Located in a rural space, its architectural design respects the local characteristics. But it respects even more the tradition of welcoming from a new perspective – silence.
