Just 2kms away from the city of Évora, the hotel is surrounded by 8 hectares of beautiful gardens and its interior has been luxuriously decorated, maintaining the character of old times.

Perfectly combining the old and the new, the hotel offers a Gastronomic Restaurant located in the former wine-cellar and a Piano Bar in what used to be the old kitchen used by the monks. An area for wine tasting and the savouring of regional dishes has been created in the old gothic water deposit and numerous meeting and event facilities are perfect for the celebration of different types of business meetings or celebrations. The church, with its valuable golden engravings and ancient hand painted Portuguese tiles has been carefully restored. Here, mass is celebrated once a month and weddings and christenings may be held.

Immersed in history, the Convento do Espinheiro Historic Hotel & Spa offers a peaceful and inspiring atmosphere, ideal for a relaxed stay.

Right in Algarve, between the mountains and the barrocal, the Pestana Algarve Race, is a unique hotel in the region. Overlooking the international race track, a perfect spa for recovering from stress and the good weather which is iconic for the area, this hotel gives you access to a different world, at the speed that you desire. The spa is specially equipped to help you recover from your emotions and fatigue. And if the pebble and bamboo lakes and the original pools are not enough, there are always donkey rides so that you can reduce intensity and get rest. Turn off the telemetry and set the speed. For motor sports enthusiasts, for teams who live in the paddock, and for companies that want to take the team spirit even further, the Pestana Algarve Race offers a sophisticated technological environment, equipped to escape the high temperatures of the track of your life.

We embraced the challenge of transforming the Old Can Factory, Facho, into a new 4 Star Hotel, symbol of Portimão's touristic rebirth and a reason of pride among its people; and so it was born Jupiter Marina Hotel - Couples & SPA.

Located in the most scenic part of town and with exclusive views over the Arade River, we drank entirely from the Boho-Chic Lifestyle and R.U.A. concept as inspiration, materialized in the ultimate combination of pastel shades with Monchique's patterns and textures, Arade's indigo blue, and last but not least, Algarve's coastline gold, all articulated and thought to the smallest detail.

Located along the extensive centenarian oaks avenue, between the Shrine of Santa Maria Madalena and the Chapel of Santa Marta de Leão, place of ancient religious pilgrimage, the Hotel was built on the ruins of the Franciscan Convent of Santa Maria Madalena do Monte, built in the late eighteenth century ordered by Dom Miguel.

This Convent was used in the past for the organization of important Events and to accommodate those who seek the perfect place to rest and ill from respiratory diseases, due to the fresh and pure air and the favorable microclimate.

The remaining parts of the old Convent are still visible today inside the Hotel, not only by its decoration, with almost museological display of religious icons and through the usage of stone walls and indoor gardens, but also for the well preserved and beautiful Chapel of Santo António da Paz.

Strategically located at 40km from Porto and at 5 minutes from the historic center of Braga and Shrines of Sameiro and Bom Jesus, we invite you to enjoy the comfort and tranquility of this unique place.
