Just 2kms away from the city of Évora, the hotel is surrounded by 8 hectares of beautiful gardens and its interior has been luxuriously decorated, maintaining the character of old times.

Perfectly combining the old and the new, the hotel offers a Gastronomic Restaurant located in the former wine-cellar and a Piano Bar in what used to be the old kitchen used by the monks. An area for wine tasting and the savouring of regional dishes has been created in the old gothic water deposit and numerous meeting and event facilities are perfect for the celebration of different types of business meetings or celebrations. The church, with its valuable golden engravings and ancient hand painted Portuguese tiles has been carefully restored. Here, mass is celebrated once a month and weddings and christenings may be held.

Immersed in history, the Convento do Espinheiro Historic Hotel & Spa offers a peaceful and inspiring atmosphere, ideal for a relaxed stay.

ultimate combination of pastel shades with Monchique's patterns and textures, Arade's indigo blue, and last but not least, Algarve's coastline gold, all articulated and thought to the smallest detail.

You do not need the traffic lights to turn green for you to begin the most unique holiday of your life. Right in Algarve, between the mountains and the barrocal, the Pestana Algarve Race, is a unique hotel in the region. Overlooking the international race track, a perfect spa for recovering from stress and the good weather which is iconic for the area, this hotel gives you access to a different world, at the speed that you desire. Between the mountains and the Barrocal, the heat that you can feel in the air is dissipated by polished marble, by the concrete in sight and by the tranquil grey and blue tones that decorate the hotel entrance. Ratings remain in the background in this bright and inviting space, ideal for a pit stop for a few days, or even to attend the numerous events that animate the most popular circuit in the country. The roar of engines makes itself heard in the distance on test or race days, but the quiet immensity of the mountain is always ready to drown out the stress and help you slow down. The spa is specially equipped to help you recover from your emotions and fatigue. And if the pebble and bamboo lakes and the original pools are not enough, there are always donkey rides so that you can reduce intensity and get rest. Turn off the telemetry and set the speed. With or without adrenaline, your days in this unique hotel in the Algarve will set the pace of the holiday. For motor sports enthusiasts, for teams who live in the paddock, and for companies that want to take the team spirit even further, the Pestana Algarve Race offers a sophisticated technological environment, equipped to escape the high temperatures of the track of your life.

A Charming Hotel

behotelisboa is a four-star hotel situated in the heart of central Lisbon, in a carefully restored eighteenth-century building adapted to the requirements of its current use.

Respecting the original structure and construction processes, the restoration began from the "cage" system that typifies Pombaline buildings to develop an innovative three-dimensional solution that affords the building true anti-seismic protection in conformity with the latest standards.

behotelisboa's contemporary and stylish décor creates an intimate and comfortable environment that is enhanced by the personalised care provided by its staff.

Over its five floors, behotelisboa offers 39 rooms split into six categories: Mini Interior View, Standard Interior View, Standard City View, Mansard, Superior and Premium.

behotelisboa is prepared to welcome guests with limited mobility and is 100% non-smoking.

AN OASIS OF COMFORT IN DISCREET LUXURY

Inspired in London's and New York's Town Houses, **Valverde Hotel** has a classic and elegant style, with contemporary furniture, works of art, objects and antiques.

It is all this, the light, the comfort of its fabrics and materials and the arrangement of the space as if it was a private residence, making it a unique place.

The shopper, the executive or the long term resident will experience a home environment not found in other hotels. This 5 stars Boutique Hotel has 25 rooms and suites.

The concept behind Valverde Hotel is this Lisbon of times gone by. It reinterprets the memory of the old Avenue, creating a friendly and welcoming space and offering a personalized service. It is an oasis of comfort in discreet luxury, right in the middle of a busy avenue. The service is focused on the guests, creating an environment where they may feel at home, while attending to their every needs and requests.

Valverde Hotel offers a Restaurant and a "Páteo" with a perfect ambiance, in a beautiful courtyard. The bar service is available during all day, with a suggestion of a "Five o'clock tea" and a variety of cocktails followed by an agenda of music every week (Jazz, Fado, etc..).

In the Páteo is also located the outside swimming pool, with heated water and jets.

emotions are to be felt under the skin or, as we would say, above the water!

The Beautique WC Hotel is born to wash our souls at Avenida Almirante Reis, an area of the city where multicultural movements are emerging and it's becoming the new Soho of Lisbon, assuming nowadays as a hub of creativity, dynamism and aggregator of young people looking for positive differentiation!

But water doesn't wash everything! ... So how to translate feelings beyond of mere words? We believe it's possible throughout a revealing exercise of the essence of space which, in its course, implies two absolutely fantastic things - creative trait and courage to cut through the conventions!

To Nini Andrade Silva, Beautique WC Hotel is irreverent and dedicated to people ageless, young, creative and with an enormous passion for avant-garde, daring, freshness and art! It arises from the fusion of the traits characteristic of a (in)temporality, from which emerges the current concept, which, with special meaning, is born from inspiration in a liquid world, from baths, water, vapors and drips, culminating in a huge WC by which we feel walk barefoot touching the floor dotted with foam and the walls damp and fresh!

The welcome is given to us at the reception area, formed by two bathtubs and a large waterfall that covers the body of those who decided to dive there! The dissident art emerges a bit everywhere, making us come across a huge ice cube that melts on the floor and gives shape and form to a sculptural piece transformed into a social lavatory! Far away in a niche, the falling water movement plays with all our senses!

On the lower floor, the restaurant gives us the sensation of movement and fluidity in an optical illusion that the set of mirrors transmits when reflecting images of waterfalls that multiply throughout the space.

We enter, and the environment becomes more indolent, languid forms and unclear images that arise with the opening of eyes submerged by a prolonged bath! Steam, foam and drops of water cover the ceiling, walls and floor, where water-blue predominates, which sweetly floods the space and green alludes to the sediments at the bottom of fountains that formerly surfaced in this area of the city.

Come in, relax and take a long shower!

Located along the extensive centenarian oaks avenue, between the Shrine of Santa Maria Madalena and the Chapel of Santa Marta de Leão, place of ancient religious pilgrimage, the Hotel was built on the ruins of the Franciscan Convent of Santa Maria

Madalena do Monte, built in the late eighteenth century ordered by Dom Miguel.

This Convent was used in the past for the organization of important Events and to accommodate those who seek the perfect place to rest and ill from respiratory diseases, due to the fresh and pure air and the favorable microclimate.

The remaining parts of the old Convent are still visible today inside the Hotel, not only by its decoration, with almost museological display of religious icons and through the usage of stone walls and indoor gardens, but also for the well preserved and beautiful Chapel of Santo António da Paz.

Strategically located at 40km from Porto and at 5 minutes from the historic center of Braga and Shrines of Sameiro and Bom Jesus, we invite you to enjoy the comfort and tranquility of this unique place.
