Just 2kms away from the city of Évora, the hotel is surrounded by 8 hectares of beautiful gardens and its interior has been luxuriously decorated, maintaining the character of old times.

Perfectly combining the old and the new, the hotel offers a Gastronomic Restaurant located in the former wine-cellar and a Piano Bar in what used to be the old kitchen used by the monks. An area for wine tasting and the savouring of regional dishes has been created in the old gothic water deposit and numerous meeting and event facilities are perfect for the celebration of different types of business meetings or celebrations. The church, with its valuable golden engravings and ancient hand painted Portuguese tiles has been carefully restored. Here, mass is celebrated once a month and weddings and christenings may be held.

Immersed in history, the Convento do Espinheiro Historic Hotel & Spa offers a peaceful and inspiring atmosphere, ideal for a relaxed stay.

You do not need the traffic lights to turn green for you to begin the most unique holiday of your life. Right in Algarve, between the mountains and the barrocal, the Pestana Algarve Race, is a unique hotel in the region. Overlooking the international race track, a perfect spa for recovering from stress and the good weather which is iconic for the area, this hotel gives you access to a different world, at the speed that you desire. Between the mountains and the Barrocal, the heat that you can feel in the air is dissipated by polished marble, by the concrete in sight and by the tranquil grey and blue tones that decorate the hotel entrance. Ratings remain in the background in this bright and inviting space, ideal for a pit stop for a few days, or even to attend the numerous events that animate the most popular circuit in the country. The roar of engines makes itself heard in the distance on test or race days, but the quiet immensity of the mountain is always ready to drown out the stress and help you slow down. The spa is specially equipped to help you recover from your emotions and fatigue. And if the pebble and bamboo lakes and the original pools are not enough, there are always donkey rides so that you can reduce intensity and get rest. Turn off the telemetry and set the speed. With or without adrenaline, your days in this unique hotel in the Algarve will set the pace of the holiday. For motor sports enthusiasts, for teams who live in the paddock, and for companies that want to take the team spirit even further, the Pestana Algarve Race offers a sophisticated technological environment, equipped to escape the high temperatures of the track of your life.

We embraced the challenge of transforming the Old Can Factory, Facho, into a new 4 Star Hotel, symbol of Portimão's touristic rebirth and a reason of pride among its people; and so it was born Jupiter Marina Hotel - Couples & SPA.

Located in the most scenic part of town and with exclusive views over the Arade River, we drank entirely from the Boho-Chic Lifestyle and R.U.A. concept as inspiration, materialized in the ultimate combination of pastel shades with Monchique's patterns and textures, Arade's indigo blue, and last but not least, Algarve's coastline gold, all articulated and thought to the smallest detail.

It's not just another hotel in Lisbon. It is the Palácio do Governador (Governor's Palace, in English), with 60 different rooms near the Tagus river in the historic centre of Belém, one of the most beautiful and emblematic areas of the Portuguese capital. This emblematic boutique hotel revives a unique historical heritage, whilst investing in quality, intimacy and refinement. Built on the site of the former house of the governor of the Tower of Belém, exquisitely restored, on top of Roman ruins probably from the 1st to the 5th century, the Palácio do Governador is a palatial building with a reception that once was a chapel, a restaurant with original domes as ceilings and contemporary SPA that's linked to the ancient thermal traditions of Mediterranean cultures.

Outside, two swimming pools - one for adults, another for children - underscore the promise of leisure and recreation, making this Lisbon hotel even more unique and exclusive. The gardens with their reflecting pools offer a serene and idyllic setting in the middle of the city, contributing to a richer experience for the hotel's guests and visitors.

Close to the Tagus and national historic monuments, Palácio do Governador is the natural choice for anyone who wants to be in Lisbon, near everything, from culture to leisure and far enough from the frenzy of the city centre.

The entrance is through the courtyard where the "cetárias" (stone tubs) of the ancient Roman fish sauce factory, "garum", exported in amphoras to the entire Roman world. The lobby

reception is located in the former Chapel, its walls pannelled with portuguese tiles restored to their original beauty, accompanied by the original choir stall and double-height ceilings. Meanwhile beneath the courtyard lies another impressive surprise: the Felicitas SPA, a 1,200 square meter facility, where preserved Roman vestiges stand watch over a heated 25-meter indoor pool with dynamic water jets, and which offers chromo-therapy, sauna, Turkish bath, therapy rooms and a gym.

The genuine historic and architectural value is revealed in each of the five floors of the hotel: on the vaulted ceilings of the restaurant room, on the successive arches of the ground floor rooms and on the wainscoting tiles in the living rooms and suites. The balconies facing south offer the guests and visitors a privileged terrace overlooking the outdoor pool, the Belém Tower and the Tagus river.

If you are looking for a five star hotel in Belém, Lisbon, the Palácio do Governador guarantees the best stay in a hotel that breathes history, refinement and luxury, just 2 minutes walk to Belem Tower.

Located along the extensive centenarian oaks avenue, between the Shrine of Santa Maria Madalena and the Chapel of Santa

Marta de Leão, place of ancient religious pilgrimage, the Hotel was built on the ruins of the Franciscan Convent of Santa Maria Madalena do Monte, built in the late eighteenth century ordered by Dom Miguel.

This Convent was used in the past for the organization of important Events and to accommodate those who seek the perfect place to rest and ill from respiratory diseases, due to the fresh and pure air and the favorable microclimate.

The remaining parts of the old Convent are still visible today inside the Hotel, not only by its decoration, with almost museological display of religious icons and through the usage of stone walls and indoor gardens, but also for the well preserved and beautiful Chapel of Santo António da Paz.

Strategically located at 40km from Porto and at 5 minutes from the historic center of Braga and Shrines of Sameiro and Bom Jesus, we invite you to enjoy the comfort and tranquility of this unique place.
