Perfectly combining the old and the new, the hotel offers a Gastronomic Restaurant located in the former wine-cellar and a Piano Bar in what used to be the old kitchen used by the monks. An area for wine tasting and the savouring of regional dishes has been created in the old gothic water deposit and numerous meeting and event facilities are perfect for the celebration of different types of business meetings or celebrations. The church, with its valuable golden engravings and ancient hand painted Portuguese tiles has been carefully restored. Here, mass is celebrated once a month and weddings and christenings may be held.

Immersed in history, the Convento do Espinheiro Historic Hotel & Spa offers a peaceful and inspiring atmosphere, ideal for a relaxed stay.

Silence is more than the absence of noise. Silence is a state of mind in which time and discernment are on our side. In this space of balance we can break the silence to listen. To ourselves and to those that are most important to us. And so begin anew, aspiring to new possibilities, since listening is also understanding. At the Colmeal Countryside Hotel, we do not make strict vows of silence but of serenity. Welcome to the land of silence. Find what you need to switch off from the world. And connect to yourself.

On a farm spread over more than 650 hectares lies the historical and uninhabited village of Colmeal. The diversity of its cultural heritage is revealed in the ancient schist and granite dwellings of the Lusitanian shepherds, in a 15th century church and in the rock paintings of the Neolithic period. A perfect scenario full of symbolism and history.

Hiding in Serra da Marofa, municipality of Figueira de Castelo Rodrigo, the Colmeal Countryside Hotel is more than a rural hotel. Located in a rural space, its architectural design respects the local characteristics. But it respects even more the tradition of welcoming from a new perspective – silence.
