Nature, charm, history, elegance, experiences... this is the
essence of Quinta das Lágrimas (Estate of Tears), a hotel with
soul and character, a retreat of comfort that honors Portugal's
rich traditions of hospitality and gastronomy. For centuries a
private sanctuary that welcomed Kings and Emperors, the Quinta
das Lágrimas Hotel is now open to all those that appreciate the
art of fine living... and to those that want to discover the love
legend of Prince Pedro and the fair Inês de Castro.

The hotel, member of Relais & Châteaux, an association of
hospitality establishments that includes beautiful hotels of charm
and the finest restaurants in the world, offers three different
atmospheres: the Palace, Garden and Spa guestrooms. Our
cuisine uses traditional ingredients of this region to create
exquisite recipes that we refresh with the rhythm of the seasons.
In our restaurant Arcadas, that has one Michelin star, you will be
able to savor aromatic herbs from our Chef's Garden and
oranges, lemons and avocados from our orchard, as well as the
raspberries and wild watercress that grow all over the Quinta.

Unique, refined and authentic, Porto is, like its wine, a treasure to be slowly appreciated... With 2000 years of history and part of the World Heritage by Unesco, Porto is a city with a soul, vibrating with life that offers the best of both worlds: ideal venues for incentive events and a variety of places for leisure time at a nearby distance.

Madruza Restaurant serves the best traditional and international gourmet cuisine, also offering the best buffet breakfast in town, and the Nautilus Bar is the perfect place for a relaxing drink. The Hotel boasts an excellent health and fitness facility with two heated swimming-pool, squash, modern gym, step and aerobic classes, sauna, seambath, jacuzzi and beauty treatments.

Located in the centre of city of Porto, surrounded by the hubbub of the business area, there is a space of light and transparency.

Surrounded by centenary trees, The Sheraton Porto Hotel & Spa opened its doors to a new hotel concept in the city, where marble, wood, steel and glass are harmoniously combined.

With its mind set on business, the Hotel has several conference and meeting rooms... and a luxurious Spa for moments of both pleasure and relaxation.
