Boat Trips; Diving; Walking; Nature watching; Whale watching; Bodyboard; Surfing; Cycling; Canoeing; Kayak; Windsurfing; Kitesurfing; Climbing; Abseiling and Aerial slides; Observation of geology; Mountain Climbing; Around Lisbon is not your typical Tour Company, as you may have known them.

In fact, we don't like to think of Around Lisbon as a business. It is rather the special life project of two friends, who wanted to develop a friendly local company to cater to like-minded people from all over the world.

Our goal is to be your "local friends" who help you enjoy Portugal to the fullest.

There are wonderful sights around Lisbon for you to discover, and you don't want to leave Lisbon and Portugal without taking a good look at them.

We built our tours having in mind what we would like to see if we were the ones visiting Portugal for the first time. We want to go off the beaten tracks and show you those secret hidden places only locals know of. We offer different packages of tours: the "classic tours", which are those special places no traveler should miss; and "our tours", which were designed according to our personal preferences.

Although we are well informed about the places we take you to visit, we are not history or geography freaks. Do not expect to be overwhelmed with loads of historic facts or geological information. Do expect to be guided by someone who loves the fresh air and to swim in our oceans. Expect someone who can

help you understand the habits of our people, pointing to you not only the little things we love about our country, but also those we know we need to improve.

We don't have luxury vans. But we do care to know your name, where you come from and where you've been before in your travels. We want you to spend a great day with us and your tour partners.

That makes our day too.
