The Tobogã monitors are specialized in Canyoning, which allows them to withdraw a maximum of potential that can offer a canyoning. This specialization also allows the diversion of all

efforts and investment in sport in order to make ever better and comfortable for the client and for the team itself Tobogã (equipment ever better and more complete, more dynamism in the river, mechanisms of action increasingly sophisticated, etc.).

We have fundamental values as security, integrity and excellence.

The Tobogã operates in several areas of the country (Viana do Castelo, Viseu, Arouca, etc.). And Spain, taking special focus its activities in the area north of the country, particularly in the Minho and the National Park of Peneda - Gerês.

These areas are very good places of choice for Canyoning of practice, allowing even the glimpse the routes of medieval history and beauty centres landscape of the places where the activities take place.
