Desafios, Desporto & Aventura, Lda. was set up by a group of Sporting and Physical Education Science graduates in June 1995. It has always sought to set the standard in terms of quality of service provided for the Tourism Event and Adventure Sport sectors.

Desafios puts on a broad range of sporting and adventure activities combined with board and lodging. These enable one or more days of leisure and tourism in sites of great natural beauty throughout the councils of Arcos de Valdevez, São Pedro do Sul and Sever do Vouga. Clients may also set out their own programme in accordance with personal objectives and needs.

Safety is an ever-present concern for Desafios. This is reflected in its heavy investment in training, equipment and local knowledge of the prevailing conditions and environment.
