In fact, we don't like to think of Around Lisbon as a business. It is rather the special life project of two friends, who wanted to develop a friendly local company to cater to like-minded people from all over the world.

Our goal is to be your "local friends" who help you enjoy Portugal to the fullest.

There are wonderful sights around Lisbon for you to discover, and you don't want to leave Lisbon and Portugal without taking a good look at them.

We built our tours having in mind what we would like to see if we were the ones visiting Portugal for the first time. We want to go off the beaten tracks and show you those secret hidden places only locals know of. We offer different packages of tours: the "classic tours", which are those special places no traveler should miss; and "our tours", which were designed according to our personal preferences.

Although we are well informed about the places we take you to visit, we are not history or geography freaks. Do not expect to be overwhelmed with loads of historic facts or geological information. Do expect to be guided by someone who loves the fresh air and to swim in our oceans. Expect someone who can

Sesimbra has a huge unrevealed environmental and cultural wealth. Less visited locals, refuge of varied Fauna and Flora, since the Coast up to the Mountain Range. Escarpments and old roads, passing from the sea species to the variety of bird species, so rich as rare. And so many legends, so much History, behind Fortresses and footprints of Dinosaur. Showing all this in a well balanced and amused way is the project of Vertente Natural.

With all logistic and security guaranteed, you just need to follow your journey, travel through contents, culture, beauty and calm. An invitation to relax created in a direct contact with Nature.
