There's an exhilarating choice of activities to take part in as a guest of Martinhal Beach Resort & Hotel. Martinhal Bay is ideal for watersports, and the water is safe for swimming and paddling. Sports fishing trips can be organised and scuba-diving expeditions arranged. Surfing and body-boarding are favourite pastimes. Leisurely bicycle tours can be undertaken; the more adventurous can grab a mountain bike. High quality Cube mountain bikes and city bikes for both adults and children can be rented at Martinhal for the day or even for your entire stay. Also guided bike tours through the Natural park are available. Horse riding and pony trekking tours explore off the beaten track. The high-spirited can climb, or go parasailing. A more down to earth option is to hike one of the many coastal paths that take in dramatic cliff-top views. And a holiday in the Algarve wouldn't be the same without teeing off on one of the many superb golf courses that the region is famous for.
