Within the historical center of Évora, the Patinha Inn is the place to rest and socialize. Ideal for couples and families, this space has been designed as a base for a short city break or even for long term temporary accommodation situations.

Founded in an old family house, with origins in the 19th century, the house was renovated keeping the original traces, the architectural elements and building materials of the time. The old house still preserves the vaulted ceilings, the blue and white tiles in the kitchen area and part of the furniture was also maintained. The decoration of this space was inspired by the Alentejo region, combining traditional pieces and motifs with a contemporary interpretation.

The typologies of spaces are divided into: rooms, bathrooms, common areas, living room, terrace and finally the kitchen. In terms of the rooms this has 6 different types of rooms, which differ essentially in the level of privacy. The rooms vary between family room with private bathroom, double and single rooms with private or shared bathrooms and a female dormitory with shared bathroom.

With a charming terrace, the Patinha Inn offers rooms in Évora, 500 meters from the Cathedral and the Roman Temple. This property is close to attractions such as Bones Chapel and Giraldo Square. Wi-Fi is free.

At the Patinha Inn all guests can enjoy a movie in the cozy living room, have a glass of wine on the terrace and enjoy the picturesque shared kitchen. The rooms also benefit from air conditioning and some have a balcony.

A buffet breakfast is served daily at Patinha Inn.

Casa do Cerro da Correia is a quaint local lodging situated a mere 3 kms from the town of Manteigas, in the Serra da Estrela Natural Park, and has a unique view over the Zêzere river Glacier Valley. All rooms are heated. Outside there is a patio, ideal for al fresco meals, and gardens which extend up to a pine forest, perfect for hiking or picnicking. Casa Cerro da Correia has a vegetable garden, with fresh produce, typical of mountain

agriculture, and a young orchard.

Surrounded by pine, chestnut and oak forest, Casa Cerro da Correia is a quiet accommodation. Throughout the day you can hear the singing of different types of native birds of the Serra da Estrela Natural Park: hoops, crows, owls ... The garden has native species. The goal is to create a balanced ecosystem, refuse the use of invasive species, reduce water consumption and boost insect and bird food in the region. To do this, when we started designing the garden, we kept the plants that were already there, like carqueja, rosemary and other wild species. All the plants or trees that have been planted are species that exist in the Natural Park, like juniper, holly, lavender and milk thistle.

At the feet of Cabeço do Neve in the Caramulo Mountain Range, Casa do Cabeço was built in 1937 by a wealthy local family as a country house where to relax and spend their free time. Recently

refurbished, it has maintained much of the old world charm and all its character whilst catering to modern comforts.

Set amidst a flat top hill or Cabeço and surrounded by a lovely mature tree garden with beautiful granite walls, the views from the house are splendid.

The surrounding region deserves to be explored for its landscapes, historical sites, food products and a variety of curiosities. In fact, the small villages around the area maintain a close relationship with nature and the past.

The concept behind Casa do Cabeço is deceptively simple: Tranquillity, authenticity and quality of life are in effect the basic pillars.

Escape daily routine and enjoy the magic of nature in our amazing surroundings!!!

Situated in the Centre of Barcelos, the Art'Otel is a Boutique Guest House that works in a beautiful building built around 1937, at the beginning of the 20th century. Recently rebuilt, offers unique rooms, with different decorations, all with a private bathroom, a seating area, an outdoor patio and private parking yet.

Some parts are made to measure, others were subjected to a thorough and careful selection and recovery. Each room has your personality, betting on a sole and exclusive decoration, but the taste is constant.

It is a few minutes walk from the main monuments and sights of the city, as well as your shopping area, with emphasis on the fair field, where weekly, on Thursdays, it follows the traditional Feira de Barcelos, known for your grandeur, richness and diversity and that happens ever since the 15th century.

The perfect retreat for unforgettable days...
