We have created a space which is clean, cozy and comfortable and one where we were inspired by the history of the location; therefore we have nicknamed our home the "Casa da cortiça" (the cork house). While in a historic and older part of town our apartment is in a newer building with updated equipment. You will also be happy with the variety of restaurants and cafes within steps and many nearby beaches. You also have access to the ferry & can cross the river to Lisbon only 1km from our home.
