Quinta da Florência is situated in the foothills of Serra da Estrela, in a Ecological Reserve of Beira, between mountains, Dolmens and pine forests, in a beautiful and healthy return to the past. The waters, the microclimate, the biodiversity of fauna and flora in this region and its magic landscapes in the colours of sunset make this place a unique legacy where nature makes art and we preserve.

The main building of Quinta da Florência has 400 years and whispers stories of which was witness and served as a stage. Its renovated rooms, with original stone walls with wooden ceilings and shutters, are complementary for recomfortable nights, fresh in the summer and warm in the winter.
