The search for the ideal place to combine the history and creativity of the concept itself, became easy when they visited the building. Located in the historical center of the city, in the Ribeirinha Zone, the proximity to the attractions gives the guests the possibility to always walk around.

All our rooms are designed to make guests feel at home, we are strict in hygiene and convenience, and attentive to the details.

There's a lounge open to the public on the lower floor and another reserved for guests on the upper floor.

We want guests to feel at their friends' house!
