Casa do Cerro da Correia is a quaint local lodging situated a mere 3 kms from the town of Manteigas, in the Serra da Estrela Natural Park, and has a unique view over the Zêzere river Glacier Valley. All rooms are heated. Outside there is a patio, ideal for al fresco meals, and gardens which extend up to a pine forest, perfect for hiking or picnicking. Casa Cerro da Correia has a vegetable garden, with fresh produce, typical of mountain agriculture, and a young orchard.

Surrounded by pine, chestnut and oak forest, Casa Cerro da Correia is a quiet accommodation. Throughout the day you can hear the singing of different types of native birds of the Serra da Estrela Natural Park: hoops, crows, owls ... The garden has native species. The goal is to create a balanced ecosystem, refuse the use of invasive species, reduce water consumption and boost insect and bird food in the region. To do this, when we started designing the garden, we kept the plants that were already there, like carqueja, rosemary and other wild species. All the plants or trees that have been planted are species that exist in the Natural Park, like juniper, holly, lavender and milk thistle.

Situated in the Centre of Barcelos, the Art'Otel is a Boutique Guest House that works in a beautiful building built around 1937, at the beginning of the 20th century. Recently rebuilt, offers unique rooms, with different decorations, all with a private bathroom, a seating area, an outdoor patio and private parking yet.

Some parts are made to measure, others were subjected to a thorough and careful selection and recovery. Each room has your personality, betting on a sole and exclusive decoration, but the taste is constant.

It is a few minutes walk from the main monuments and sights of the city, as well as your shopping area, with emphasis on the fair field, where weekly, on Thursdays, it follows the traditional Feira de Barcelos, known for your grandeur, richness and diversity and that happens ever since the 15th century.
